Club

Operations:Registration Update: There are 250 players registered. On line registrations are going good. Most of the players registered are Classic level playing in the fall.

U15G Striker team dissolved and funds will go into the KASA account. Board will distribute funds as appropriate.

Classic Committee update: Coaches meeting was held August 23rd. Suggestion from the meeting were; combine makeup sessions for 8-11 yr. olds and 13 + up. Maybe move Tryouts earlier. Interest was noted on cutting down the number of days to respond to an offer from a team. Discussed split seasons. Adopt a field was well received.

Meeting was scheduled for Sept. 26th for Dave Fisher and uniform committee.

Banquet was canceled due to low participation. Will readdress it again for next year.

Fundraising ideas: Andy will investigate a cookie dough sale for the entire association. He has been working with Badger sports on what it would take and what kind of prize items would be available for the individual sellers.

Kwik Trip cards: Bill still has some available.

Parade: we had approx. 150 people including coaches, players and parents who marched in the Kimberly Centennial parade.

K of C Soccer Challenge: Wayne needs a few volunteers to help with the challenge at JRG field. Kicking Challenge is for boys and girls U10-U14.

Feed Back on the season: tryouts went well, having KASA reps there was much appreciated. Reimbursements for coaches and board members went much smoother with website as a resource. Email contact seems to be going well, may be time to use more email instead of mailed out newsletters. Some want rec. play to go back to their regular season, lots of problems with the July series. We need more people involved with the running of the club. To many jobs, not enough people to do them.

Survey: We are working on a survey to get feedback from our soccer families. Kerry is putting the final touches on the survey through Survey Monkey. It will be sent out via e-mail to all of our KASA families asking for their input. The board will review responses and decide what areas we can make improvements on.

Fall League: Discussion was held about raising fees for the fall league.

As more teams chose to add fall games to their season, the association is having to spend more on referees and field maintenance.

Election of officers: Jorge Simon was re-elected Vice President. Bill Vande Voort was re-elected treasurer. Lisa Wolf, Andy Gigure, Tim Styka and Kerry Lang were re-elected as board members. We are still in need of 2 more board members. We also need a new Gym Scheduler.

Meeting began at 7:00 and concluded at 8:45

**Next meeting: Oct 10, 2010, 6:30 P.M.
Combined Locks Civic Center**

Respectfully Submitted,
Jodi Avery
