## Top Soccer

"The Outreach Program for Soccer" (TOPS) is designed for children with special needs ages 6-16. This program is hosted locally and is open to anyone in the Fox Cities.

The season starts August 1 and runs through July 31. During that time, we meet (18) Saturday mornings. The next TOP Soccer session starts September 29, 2007 from 10:00-11:00 AM. We meet indoors at Janssen Elementary School, Combined Locks.

Each player is matched with a Buddy. The Buddy provides support, encouragement, and participates with the player in planned activities. Buddies range in age from 12 years to adult.

If you are interested in participating as a player, coach, or buddy, please contact the local hosts; Wayne & Dorothy Stoflet 920-788-5840 or Jane McCormick 920-558-4513.

Your prompt attention to this will be appreciated!

### KASA Referees

Hats off to all KASA referees! We are more than half way through the season with minimal "no shows" and complaints. Currently, we have mentors providing feedback to our first, second, or third year referees. The goal is to help you improve and build confidence.

This season, referees have been asked to find replacements when needed; should that fail, open games have been offered via email. The response has been fantastic.

We hope to see all of you return for the next season. Please watch the [wisref.org](http://wisref.org) website for dates and locations for certification and re-certification classes. Classes are already listed for this summer and fall. The earlier you sign up the better.

Any questions or concerns can be directed to Wayne Stoflet at 788-5840 or Julie Van Sambeek at 788-6447.

## NEW - Adult Soccer

The adult soccer league is off and running. For this league, the only age stipulation is a player MUST be entering their senior year in high school to be eligible. There is NO upper age limit at this time.

The season runs from June 3<sup>rd</sup> through July 29<sup>th</sup> and games are played late Sunday afternoons.

KASA has one team in this division along with six more teams from other clubs. Please share this great news with others in this age group. We are hoping for more teams next season!

### Small Sided Soccer

This soccer season, KASA redesigned the U5 and U6 soccer program. The U5 players meet on Tuesday evening and the U6 players on Thursday evening. The players were split into smaller groups of 10 to 12 per team. Each team has its own T-shirt with club logo and sponsor's name.

The evening consists of 45 minutes of warm-up and soccer skill activities followed by a 15-20 minute game of 3v3. As an added feature, all activities are led by a Challenger Club Trainer (CCT).

Based upon many positive comments, the program has

been well received by all in attendance.
